YOUR UNIQUE EVENT SPACE

YOUR UNIQUE EVENT SPACE... ENDLESS POSSIBILITIES

When planning any event, your choice of venue is critical to its success. Traditional venues offer conventional, corporate looks for conferences and workshops. These often require copious amounts of dressing to create 'the look' for an event and often leave attendees lacklustre despite your great and often very detailed event planning. Its time to start thinking outside the box in choosing your next event space...

*Welcome to Boclair House in Glasgow..
an events venue as unique as your event*

LUSTRE & LOCATION

A 19th Century Tudor Gothic Mansion, Boclair House is the epitome of historic beauty, contemporary elegance and quintessential quality. From the moment you arrive at the gate to its immaculate grounds, its castellated tower with Scottish Saltire and most impressive archways to the front, create a covered walkway reminiscent of Italian cloisters that greet you as a backdrop which installs in you that immediate gut reaction that you know you are in for a special treat.

After a major reinvestment and reinvention of this stunning 1890s building only 3 years ago, Boclair House has quickly established its position in Glasgow (*only 6 miles from the city centre and 9 from Glasgow International Airport*) as one of the most exquisite and desirable event spaces in the West of Scotland, that can be exclusively yours for your event, inside and out.
